have been made in several parts for for its raciness and orignality will be the premonitory symptoms; the diarrhoa, found hard to beat:

the purpose of turning the streams, found hard to beat: have been made in several parts for the passage of the Texas Boundary itill, he having come into the hall yesterday after his name was called.

Permission was refused.

The House resumed the consideration of the report of the select committee, against the payment by Secretary Ewing, of commutation pay and compound interest to the Administrator of Commodore Barron, and the payment to Corcoran and Riggs, of money on account of the Same diggings, last week, 42 Riggs, of money on account of the Same diggings, last week, 42 Public Riggs, of money on account of the Same diggings, last week, 42 Public Riggs, of money on account of the Same diggings, last week, 42 Public Riggs, of money on account of the Same diggings, last week, 42 Public Riggs, of money on account of the Corcoran and Riggs, of money on account of the Corcoran and Riggs, of money on account of the Corcoran and Riggs, of money on account of the Corcoran and Riggs, of money on account of the Riggs, of money on account of the Riggs, of money on account of the Corcoran and Riggs, Chickasaws, &c.

Mr. Richardson resumed his remarks in condemnation of Mr. Ewning's course.

Mr. Vinton replied to the great points of consternation ing's course.

The great points of consternation doubt the seene. And will nothing warn, will nothing warn, will nothing warn, will nothing inguise a correct practice? If all die who have the disrepter checked, will no physician. ing's course. Mr. Vinton replied to Mr. R., defending Mr. Ewing, and stating that William W. Gwinn and Corcoran & Riggs were Democrats, and interested in these claims; also, that Mr. Ewing, of Missouri, concerned with the Chickasaw payment, was not a relative of the ex-Secretary, and not a Whig, as Mr. R. had said. He entered into a legal arguthe deponent, hereby demand that dreth Pills. For purgation with the ordinary the Sacramentonians boast now the se voudous be arrested and Brandreth's Pills will, and I am willing to you tell us of what they are made? It is for their valuable effects in curing disease, and their special value in cholera that I wish them to be used, is my reply. And is it of consequence that what compose the Brandreth Pills should be known? If you send a prescription bill from the Senate. It was read twice, when Mr. Wentworth strove so earnestly for the floor as to cause much laughter. There wa much confusion. Mr. Boyd wass recognized by the Speaker. He under the speaker of the speaker of the speaker that the first of August to August to answer in the matter of pre-emptions, condemned at the July term of our to the apothecary, you never have two apothecaries who make use of the same quality of drugs, and in facts on much do drugs of the same place on Friday last. The number of people present to witness the melantic people present to witness the people present to witness the melantic people present fact, the most economical medicine in world; for one pill, the cost of which is one cent, will purge some constitutions equal to an ounce of saits. They are the poor man's medi-Australia, from which latter place cine. It is to him who has small means, and high privilege: children would starve. Bran-dreth's Pills are the medicine for the poor man. and for the sensible rich. But the simple, the ignorant, the learnest, prejudiced man, who shall save him, if he is really attacked with a dangerous disease? He will die! for the removed dies of physicians are of no value in cases of absolute danger, as all the friends of those whare gone know. Let the truth be spok-n sometimes. Yet again it is said use no purgatives, use no medicine which evacuates the bowels. And yet Mr. T. was purged and griped; he was almost in convulsions; he took four Brandreth Pills and drank plentifully of

The Rev. RICHARD DUNNING, Pastor of the property of the pastor of the pa barley water, and he recovered next day. Mr. G. was sick in the course of four months seve ral times with all the worst symptoms of in-cipient cholera, and each time he used nothing but Brandreth Pills and they cured him. I have known no case of cholera prove fata where Brandreth Pills were used in the first Read the result. He asys: 'I here us LES of BRANTS MEDICINE. I place stage. And I challenge the whole medical pronat, with the blessing of God, it has effe fession to tell of a single fatal case, where these Pills of healing powers were so used.
